Event Summary: -

I am pleased to share that ITM college of Pharmacy and Research, GIDA, Gorakhpur has organized well-mannered Plantation on occasion of World Earth Day on date 22.04.2022. World earth day is commended each year on April 22. It is a yearly occasion celebrated by individuals all across the world. The first time the world earth day was celebrated in the year 1970 and afterward began celebrating every year on global premise by right around 192 nations. All the students of D.Pharm have participated with warmth. By taking part in activities like planting trees, we're making our world a happier, healthier place to live and to protect the planet from things like pollution and deforestation.
